

Accidents & Emergencies

Date:	October 2017	Review Date:	October 2018
--------------	--------------	---------------------	--------------

We acknowledge that under the Health and Safety at Work Act 1974 we have overall responsibility for health and safety.

We have in place procedures, following guidance from the LA, to deal with an accident or emergency involving staff, pupils or school visitors either on school premises or on educational visits.

We believe it is essential to provide significant health and safety training for all school personnel in order to communicate the school's accident and emergency procedures.

Aims

- To have in place procedures in the event of an accident and emergency involving anyone at school or on an educational visit.
