

Exciting News! BMX Athlete Visit !

We are very pleased to announce that the BMX cyclist Kelvin Batey will be in school on March 19th to support our latest sponsored event. While we are getting fitter, doing fitness circuit exercises, we will be raising money for new sports equipment and the Sport England Charity. We ask you to sponsor your child to complete the activity during the event, and they will be bringing home a sponsor form to fill in this week ready for next week. We are asking children to wear sports clothes for the day too (£1 donation).

Thank you for your support.

Mrs Etherington
