Dear Parents/Carers of Creative Cave Bears,

As you all will know Mrs Snowdon has not been in school for a number of weeks. Unfortunately she is still not currently well enough to teach and has made the difficult decision not to return. She is planning to come into school this term to say a proper goodbye to the children.

Some of you may not know but Mrs Snowdon has been a teacher at Lakeside/Wilmorton for 38 years and has taught many generations of families in this time. I know you will join me in thanking her for all the years of teaching, supporting our learners and being part of the Lakeside community and wish her all the best.

Any change in staffing within a year group, I understand, is not ideal and we do everything we can to minimise any disruption for the children. As you know we have had Mrs Smith teaching in Cave Bears since Christmas, she will be staying and along with Miss Sweetman will continue to lead the learning in the class. Please have a chat at the start or end of the day with Mrs Smith or Miss Sweetman if you have any questions. I am also around on the playground or on the gate at times throughout the week if you want to speak to me.

Yours,

Mrs Baker-Heath
