Date	Review Date	Coordinator	Nominated Governor
Oct 17	Oct 18	J.Baker-Heath	A Woodhouse

We believe it is essential to have in place set procedures to deal with any incident occurring within or outside the school boundary that poses a risk or potential risk to the well being of the school community. We have a duty to ensure the safety of everyone within the school community.

Incidents may include abduction of a pupil, asbestos disturbance, bomb alert or explosion, break-in, chemical or biological contamination, fire, flu pandemic, illness or epidemic affecting staff or pupils, loss of access or accommodation, missing person, power failure, serious injury, severe weather, vandalism and violent intrusion.

We recognise our responsibilities under the Health and Safety at Work Act 1974 and the Management of Health and Safety at Work Regulations 1999 and we will take all reasonably practicable steps to provide and maintain safe and healthy working conditions, equipment and systems of work for all our pupils, school personnel and visitors to the school and to have in place set procedures to deal with the afore mentioned critical incidents.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.
