First Steps Early Years Centre is a GOOD setting providing play learning and exploration to all children from 2yrs- until school ready. We work closely with the individual children's families to offer a supportive service for all our users.

We have various sessions available and take children eligible for 2, 3 and 4yr old funding. We have a large 2-3yr unit with lots of exciting opportunities for development and have a stimulating Pre-School where children are able to prepare and progress ready for starting school.

Please feel free to pop along anytime to have a look around and meet the team and see for yourself what a fantastic place First Steps is for you and your child.
