

Dear Parent

Would you like to improve your Maths skills and gain a recognised qualification through an engaging course?

We are running **Free of Charge Maths Courses for Adults** and would love you to come along.

Our courses are run locally and enable you to:

- Improve your skills
- Gain a recognised qualification
- Learn at a level that suits you
- Learn with your friends
- Gain practical skills and knowledge beneficial to everyday life
- Support your children with their homework
- Improve your confidence and motivation
- Gain skills valuable to the workplace or for further learning

Free of charge MATHS COURSES at venues in Derby starting in September. Courses consist of a 2 hour session, once a week, for 13 weeks. You will also be able to contact your tutor in-between sessions with any questions. At the end of the course, you will receive a nationally recognised qualification.

These courses will help improve your confidence for Maths and if you feel more confident and excited about Maths we know that your children will too! You have nothing to lose!

Courses starting week commencing 25th September, please see details below. Friends and family are also welcome but spaces are limited so please book quickly to avoid disappointment.

Courses will run during term time only for a total of 13 sessions.

To book or for more information, please get in touch:

Phone: 01788 892057

Email: info@tgtraining.co.uk

Text: 07921 830490

I look forward to hearing from you soon.

Sally Thorley
