## Community Primary School

DERBY CITY COUNCIL

### Governor Profile

#### Who am I?

Hello, my name is Karen Phillips. Married to Iain, I have two children currently at secondary school and a 6<sup>th</sup> form. After working in the banking sector for 23 years I made the move to work in childcare/ education in 2002.

#### What are my interests?

Apart from my children I am passionate about making a difference for pupils at the three schools I presently volunteer as a governor at. As you can imagine, this takes up quite a lot of my time.

#### Where do I come from?

Being born in Ilkeston I moved with my work to Peterborough, Mansfield and then finally to Derby in 1995 - where I have lived ever since.

#### How did I become involved with the school?

I have been volunteering as a governor since 2007, gaining experience in both the primary and secondary phases. In March 2016 I was asked by the Local Authority to join the wonderful and dedicated governors you have at LCPS, providing added experience to the Governing Board.

#### When am I about?

With my work commitments, I occasionally get the opportunity to be around the school in the day as my employers often allow me to be flexible with the hours I do.
