

Lakeside

Community Primary School

**Special Educational Needs and Disabilities
Coordinator (SENDCo) and Class Teacher
(Main Pay Scale + SEND allowance)**

Required from Easter 2018 (but will consider applicants for a
September 2018 start)

A wonderful opportunity for an experienced, outstanding teacher who has a passion for Special Education Needs provision within a mainstream setting. Due to the size of the school and the number of SEN learners within our setting, this role is to work alongside our current SENDCo to ensure all SEN learners in school are accessing the right provision for them. It will involve liaising with other agencies, advising other school staff and building strong relationships with the parent/carers of our SEN children across school.

We would welcome not only an experienced SENDCo but also an enthusiastic practitioner that has that passion for Special Needs who would be willing to access training to develop their knowledge of the SEND code of practice and the statutory processes required.

This post is full time class teacher position with release time to carry out the SENDCo role.

Further details and application forms are available on the school website or from the school office,
please contact :
