SAT's Week...All you need to know!

You have all been working really hard to prepare for the SATs tests. It's only natural that you might feel nervous or concerned about what the week will hold...

But don't worry—here are some things to remember during SAT's week...

- ◇ This is your chance to show off all your hard work and preparation
- ◇ **Do your best** and remember all the things in the tests we have been doing in class

- ◇ Make sure you have a good nights sleep before each test
- ◇ Talk about any worries you have, do not keep it to yourself
- ◇ Come early to school to have a healthy breakfast each morning. We are offering breakfast each morning from 8:30am.
- ◇ Have a healthy snack between tests or afterwards to keep your energy

- ◇ Come to school **EVERY DAY** of SATs week—even if you have a bit of a sniffle!!! (Tissues will be provided!)
- ◇ Make sure you are in school on time every day— the test will start first thing in the morning and we will provide you with a delicious breakfast to start your day
- ◇ Do something fun at the weekend— it is important you feel fresh and ready for Monday.
- ◇ In the evening during SATs week, keep any work you do at home short. Suggested ideas of what you can do at home (if you want to!) is given on the back.
