June 2018 stars

Here is our June newsletter. We hope that you all had a good Half Term break and enjoyed the sunshine. This half term please encourage your child to be 'sun safe', to bring a hat to wear and to apply sun cream each day (there are dispensers positioned inside the school building for this purpose).

We have a number of events and visits to pack in before we break up for the 6 week summer holiday (Wed 26th July). Year 6 and 5 Residential weeks, various day trips and our annual Sports events week to name a few. The 'Dates for your diary' list will give you more detail.

We are pleased that so many of you now receive this publication electronically to your mobile device but should you wish to still have a paper copy these are available from the School Office.

Margaret Baxter Wildlife Garden

Our outdoor wildlife area is gradually progressing and the team will be planting lots of wild flowers soon. There will be a bird hide too but this will not be in place until September. Our year 5's will be helping to complete this. We are looking forward to using this to enrich our outdoor curriculum.
