HEAD LICE

Attention all Parents/Carers we are experiencing more and more cases of head lice. Please make sure that you regularly check your child's hair and use conditioner/fine tooth comb if necessary.

For free advice and treatment for minor ailments (without going to your GP) regarding head lice, sore throats, teething, diarrhoea, insect bites/stings, earache and other minor ailments- visit this website

www.nhsstaywellderbyshire.co.uk

If you have any of the minor ailments listed and don't normally pay NHS prescription charges then any medicine suggested under the 'Pharmacy First' scheme will be free. If you do not pay for your prescription then the cost of the medicine should be much less than the current prescription charges.

(NO treatment can be provided for children under the age of 3 months of age).
